RACK SPECIFICATIONS:

FRAMES: Steel members covered with gray acid-resistant polyester powder coating
HARDWARE: Zinc-plated steel – RoHS compliant

RACK NOTES:

- Racks are shipped unassembled. All necessary assembly hardware is included – see note 2.
- Each frame must be anchored to the floor. Holes are provided at the base of each frame. Please refer to rack diagram for hole size and spacing. Determining the anchor bolt size and supplying the anchor bolts is the responsibility of the customer.
- For rack installation instructions, please refer to EnerSys® Publication No. US-HXRACK-IM, *Instructions for Assembling DataSafe™ HX UBC Battery Racks*.
